Ingredients:

Dry ingredients:

- 1 cup of all-purpose flour
- 1/2 teaspoon of salt
- 2 teaspoons of baking powder
- 2 tablespoons of granulated sugar
- 1 teaspoon of nutmeg

Wet ingredients:

- 1 beaten egg
- 1 cup milk
- 2 tablespoons of vegetable oil

Directions:

Combine all of the dry ingredients (the flour, salt, baking powder, nutmeg & sugar) into a large bowl, until fully blended **before** you add any of your wet ingredients.

Add the egg, the oil, and the milk and stir until fully combined. Let the batter rest for 1-2 minutes and then stir again to make sure that all of your ingredients have blended completely.
